

Try Our New Secure Patient Portal!

Did you know that you can now send secure email messages to your doctor through our Secure Portal?

Directly email your doctor to:

- *Discuss your treatment plan*
- *Ask questions about your surgery*
- *Request Medication Refills*

Sending a Secure Message to your Doctor is easy!

- Go to ChesapeakeEyeCare.com.
- Select Secure Portal.
- If you already have an account, Log In. If you do not have an account, click on the blue icon that says “Create an Account.” Once you have created your account, Log In.
- Once you are logged in, go to My Messages, select New Message.
- Agree to “Terms.”
- You should see your name already filled in the first box.
- In the “To” box, select the person you would like to message (Example, Med Staff – Maria Scott, MD).
- Select “Medical for “Message Type” (Medical sends your message to the Medical Department).
- Fill in “Subject.”
- In the “Message” box, you can write your note. You will see an option below this box to include an attachment if you want to attach a file.
- Select “Continue.” You will then be able to “Review” your message before sending it.
- When you are finished, hit “Submit.”
